[Science Fair - Google Docs.pdf](#)

Above is a link to a document with all of the material I used on the presentation board, including Hypothesis, Question, Materials, Procedure, Abstract, Conclusion, and more. The large font is because of the fact that this was the document directly printed out to to the board.

The pictures on the board are included below.

I am not sure if the photo link is working correctly: I'll work on it shortly because of a slight delay
